2020 Commercial Solutions Program

That's the impact the Commercial Solutions Program has had on Texas businesses.

The Commercial Solutions Program is designed to help participants identify energy efficiency opportunities in existing and newly planned facilities and to provide monetary incentives to implement these projects.

The no-cost Commercial Solutions Program provides you with the resources to identify energy efficiency opportunities and convert them into savings. Incentives are available on a first-come, first-served basis.

By joining the program, you can take advantage of the following resources:

- **TECHNICAL ASSISTANCE:**
Help identify and evaluate energy efficiency opportunities.
- **FINANCING ASSISTANCE:**
Learn about the many options available to finance energy efficiency projects that involve little to no upfront cost.
- **COMMUNICATIONS SUPPORT:**
Help publicize your leadership and accomplishments in energy efficiency.
- **INCENTIVES:**
Earn cash incentives for energy-saving projects, based on the rates below.
