6. Project Sponsor shall provide Host Customer an all bills paid affidavit, in the form attached hereto as Exhibit A, guaranteeing that no mechanics' or materialmen's liens will be placed on Host Customer's property relating to the installation of high efficiency measures pursuant to this Agreement.

7. Host Customer acknowledges that the Project Sponsor is receiving an incentive paid by the rates of TNMP for the electricity saved by the customer's energy efficiency improvements calculated based on the Texas Technical Reference Manual (TRM).

8. Host Customer acknowledges that any view, inspection, or acceptance by TNMP of the Host Customer's equipment installation or of the design, construction, installation, operation or maintenance of the equipment is solely for the information of TNMP and that, in performing any such inspection or review or in accepting the installed equipment, TNMP makes no representation or warranty whatsoever as to the economic or technical feasibility, capability, safety or reliability of the equipment, its installation by Project Sponsor or its compatibility with the Host Customer's facilities.

9. Host Customer acknowledges that Project Sponsor is an independent contractor with respect to TNMP and the SOP, and that Project Sponsor is not authorized to make representations or incur obligations on behalf of TNMP. Host Customer further acknowledges that TNMP is not a party to the Host Customer Agreement and that Project Sponsor is solely responsible for performance hereunder.

10. Host Customer acknowledges that it may file a complaint with the Public Utility Commission of Texas concerning the Project Sponsor, but that TNMP will play no role in resolving any disputes that arise between the Host Customer and the Project Sponsor.

11. Host Customer agrees to release TNMP from any and all claims, demands, losses, damages, costs and legal liability including, but not limited to 1) injury or death of persons, 2) damage to natural resources, 3) violation of any local, state, or federal law or regulation including, but not limited to, environmental and health and safety laws or regulations, 4) strict liability imposed by any law or regulation, 5) equipment malfunctions, or 6) energy savings shortfalls arising out of, related to, or in any way connected with the Project, regardless of any strict liability or negligence of TNMP, whether active or passive, excepting only such claims, demands, losses, damages, costs, expenses, liability, or violation of law or regulation as may be caused by the gross negligence or willful misconduct of TNMP, and resulting from its acceptance of the Project for participation in the SOP.

Host Customer please initial each of the following:

\_\_\_\_\_ Host Customer acknowledges that the Project Sponsor performed pre-measure leakage tests for Duct Efficiency and/or Air Infiltration.

\_\_\_\_\_ Host Customer agrees, upon three (3) days' prior oral notice, to provide TNMP, its designee, or any third-party program evaluator access to the Host Customer's property during normal business hours for the purpose of inspecting the installed equipment.

\_\_\_\_\_ Host Customer agrees that Project Sponsor shall have the right to make this Host Customer Agreement and all Host Customer utility bills, project documentation, contractor invoices, and technical and cost information available to TNMP or to any third-party program evaluator.

The parties have signed this Agreement as of the date first written above.
