# TNMP SMALL BUSINESS PROGRAM

In a small business, every dollar counts. That's why we offer generous financial incentives to help small business owners pay for upgrades that help them save energy, reduce operating costs, and improve their business.

The program will also connect you with qualified contractors and provide the technical support and guidance you need to make your next project a success.

Upgrade	Incentive per kW saved
Refrigeration	\$700
LED Tubes	\$690
LED Fixtures	\$690
Screw-in LEDs	\$690
HVAC replacements	\$575
Direct install - door seals	\$150
Other	\$550
CoolSaver A/C Tune-up (1-10 ton)	\$180
CoolSaver A/C Tune-up (10-25 ton)	\$250

\$100 bonus when 2 or more measures are installed per participant, excluding CoolSaver

## Join today to take advantage of:

- A no-cost, no-obligation facility assessment to identify energy-saving opportunities
- Recommendations and estimates of energy savings, project costs, and payback periods
- Installation of energy-saving equipment by a local pre-qualified contractor
- Incentives paid directly to your contractor by the program to reduce your costs of adopting energy-efficient equipment
- Ongoing reduction in energy costs
