

Energy Efficiency Programs Bulletin

VOLUME 4, ISSUE 1 | Winter 2014

New SCORE® and CitySmart® Programs from TNMP

Late last month, TNMP launched its 2014 commercial energy efficiency programs with a raffle and a webinar describing important changes to the SCORE, CitySmart and Commercial Solutions programs. We're excited to report that more than 50 commercial customers, contractors and service providers attended, including Mr. Don Cook of Trane Commercial Systems and Mr. Joel Hannemann of Friendswood ISD, the winners of our raffle!

In case you missed the webinar, here are a few important changes to note:

- SCORE and CitySmart both updated their incentive rates. Participants are now eligible to receive \$200/kW (compared to \$194/kW in 2013). Additionally, participants can elect to earn \$250/kW by enrolling in SCORE Lite or CitySmart Lite programs, which provide a higher incentive rate but fewer program services.
- Underserved school districts will receive cash incentives of \$325/kW. We will contact these districts directly to let them know that they qualify for a higher incentive.
- Hard-wired and screw-in compact fluorescent lights (CFLs) no longer qualify for incentives through the SCORE, CitySmart or Commercial Solutions programs.

Texas-New Mexico Power offers a portfolio of commercial energy efficiency programs.

The SCORE® Program provides viable energy optimization for school districts, colleges and universities. Designed to educate institutions on energy management and encourage investment in energy efficiency, this program helps partners minimize the impact of volatile energy costs, ease budget pressures, improve infrastructure and optimize learning environments for students.

The CitySmart® Program helps local government entities enhance energy efficiency, lower operating costs, improve air and environmental quality, and meet legislative and regulatory requirements.

Similar to SCORE and CitySmart, the TNMP Commercial Solutions Program provides technical and financial support to help commercial and industrial organizations identify and implement energy efficiency upgrade projects.

The Open Program for small businesses program targets commercial facilities below 100kW in demand usage to enable them to participate in energy saving retrofits.

For more information about the SCORE, CitySmart, Commercial Solutions and Open programs, contact TNMP Project Manager Stefani Case at (214)-222-4174 or stefani.case@tnmp.com.

The programs are sponsored by TNMP and administered by CLEARResult. You can reach CLEARResult at (877) 338-8667 or tnmp@CLEARResult.com.

PARTNER SUCCESS

The following partners were awarded for energy efficiency savings

- Alvin ISD: \$598
- Blum ISD: \$8,016
- City of Meridian: \$1,258
- City of Texas City : \$2,066
- Columbia Brazoria ISD: \$6,161
- Dickinson ISD: \$4,058
- Hico ISD: \$5,421
- Iredell ISD: \$2,947
- Kopperl ISD: \$1,904
- La Marque ISD: \$1,585
- Lewisville ISD: \$4,990
- Prairiland ISD: \$1,274
- Texas City ISD: \$1,990
- Whitney ISD: \$ 1,315
- BroadTech, Inc: \$3,960
- Clifton Moulding Corp.: \$114
- Dance Expressions, LLC : \$856
- Digital Lewisville LLC : \$54,997
- Gearench: \$11,240
- Gulf Coast Auto : \$12,210
- Sam's Club: \$21,942
- Stripes LLC: \$106
- Texas Instruments Inc.: \$42,100
- US Energy Management, Inc.: \$1,002
- Yard Art Patio & Fireplace, LLP: \$5,020

Congratulations Partners!

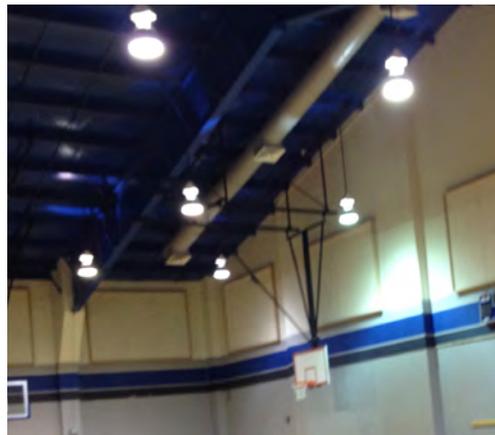

Act Now to Earn Incentives for T12 Upgrades

In 2014, TNMP is offering cash incentives for replacing T12 lamps with standard T8s. However, since T12 lighting is being phased out by federal mandate, we will have to discontinue these incentives starting in January 2015. For more information about how you can take advantage of this offer before it's gone, contact us at tnmp@clearesult.com.

2013 Success Stories

Whitney ISD

With the help of TNMP's SCORE program, Whitney ISD completed lighting retrofits and other energy-efficiency upgrades that are expected to reduce annual energy costs by \$5,300. Congratulations, Whitney Wildcats!

Pre Retrofit

Post Retrofit

Alex Rodriguez Mercedes Benz

By replacing existing outdoor lights with LEDs, Alex Rodriguez Mercedes Benz earned a \$23,900 incentive and will reduce its annual energy costs by \$54,400. The new lights will even help give the cars a little extra sparkle!

Aaron Aguilera Joins the TNMP Team

Aaron Aguilera Joins the TNMP Team

As TNMP's program offerings grow, so does its delivery team! Aaron Aguilera, our newest team member, will be based in El Paso and will work as a program consultant. Aaron, a fourth-generation El Pasoan, says he's eager to contribute to TNMP's energy-saving success! If you're located in the Pecos/Fort Stockton area, you can expect a call from Aaron soon. In the meantime, please feel free to contact him at aaron.aguilera@clearesult.com.
